

# School Council Pledges

We are proud to represent the children of St John's Angell Town Primary School. We pledge to help all children attending the school have their opinions and voices listened to and respected.

## Responsibilities of Pupil Councillors

- We will report to our class after every school council meeting.
- We will take issues brought up by our class to the School Council.
- We will put across the views of our class and not just our own opinions.
- We will always try to do the job to the best of our abilities.

## Responsibilities of Teachers

- Teachers will make sure all classes have a school council meeting. This is when minutes from the last meeting are shared and new matters discussed by the class.
