

# Year 5 HOMEWORK PROJECT

## - RECORD BREAKERS SUMMER 2

This half term's homework theme will RECORD BREAKERS.

You can choose an activity from the menu. These are only suggested. Of course if you have an idea which you think is related to the theme, you may develop it instead. You can research for this topic at the libraries, internet etc. The following are some suggested activities:

- Video clip presentation: record an event that has been broken by making a video clip of the event:
  - A skit - through role play - dramatizing an event or character
  - documentary....of an event. Pretend to be a reporter and capture yourself providing the information
- Art:
  - Using photographs, drawings, collages etc. to capture the event or people associated with it.
- Design and build a statue, replica which captures the event of record breaking
- Writing:
  - Present a short story (fiction), biography, newspaper report or non-chronological report about the event or character who broke it.
- Yourself as the record breaker: What did you do that was 'AMAZING'? Tell us about it. Use a power point, and auto biography ...( in addition to one or more of the above).

You have until Monday 10<sup>th</sup> July which is the deadline for submission. Celebration assembly is on Friday 14<sup>th</sup> July, 2017
