**OFSTED Support**

JR and NB gave some useful feedback following their successful inspections last year.

JR also gave advice in his capacity as on Ofsted Inspector. There are 9 Lambeth Headteachers trained as Ofsted Inspectors. 2 out of the 9 are CE Headteachers – JR and LH. It was agreed that it would be prudent to use their knowledge and expertise to support each other.

JM informed HTs that the next Lambeth Working Together event on Friday 9<sup>th</sup> October has an OFSTED focus.

**CE HT Group Subscription**

JM suggested that all schools contribute a small amount to a central fund as ‘subs’ for this cluster to pay for future breakfast/lunchtime meetings. One HT could act as the treasurer.

**ACTION**

- UO agreed to act as the group’s treasurer.
- We will discuss how much to contribute at the next meeting.

**Annual Lecture**

JR shared information about another local cluster organising an ‘annual lecture’ with a guest speaker.

We agreed that we have the capacity at our secondary schools to organise similar events. We have already organised a twilight session with Barry Hymer at St. Gabriel’s for the Spring Term 2016.

**ACTION**

- Annual lecture/joint INSET to be discussed at the next meeting.

**Triads**

We discussed, once again, the organisation of the triads within our group and how some were more successful than others. We agreed to ‘restructure’ the triads with caution. We agreed that we must be careful that the triads remain effective and do not become too big.

**ACTION**

- JM to redraft the organisation of triads for consultation.
- Triads to feedback at our next meeting.

The following is a proposal for the reorganisation of the Triads...

St. Jude’s St. Leonard’s St. Saviour’s St. Martin’s
Macaulay St. Luke’s/Christchurch Streatham Immanuel and St. Andrew’s Holy Trinity
Archbishop Sumner St. Gabriel’s St. John the Divine St. Andrew’s
St. Mark’s/Archbishop Tenison Christchurch Brixton St. Stephen’s St. John’s Angell Town

### **EYFS & Life after LEVELS**

UO suggested that EYFS staff get together to moderate using the new assessment package. We briefly discussed life after levels and what systems schools are using. There was a general consensus that current routines are not yet fully established in some schools. Therefore, it was too early to make judgements on what is working well.

### **ACTION**

- We will revisit assessment routines in the future.

### **Next Meeting:**

Thursday 11<sup>th</sup> February at 9.30am – venue to be decided.
